

## POST-SCRIPT

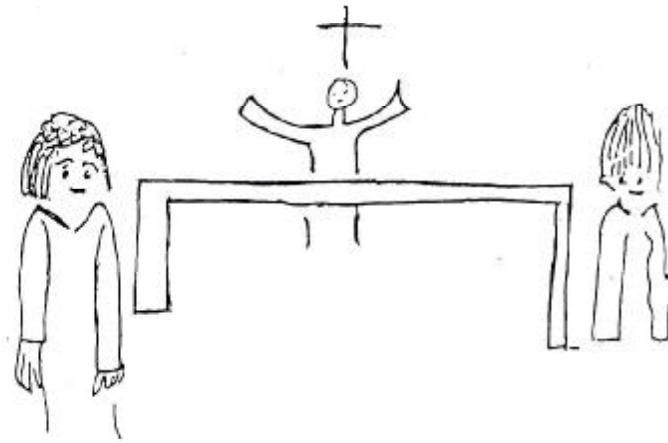

The drawings in the following pages are taken from among several illustrations in the Danish TRO OG LYS, SANGBOG (Faith and Light song-book). The song-book was arranged by Kirsten Carlsen with help from her friends in Faith and Light. Kirsten is one of the original founding members of Faith and Light, Denmark, when the first group was started many years ago.

It can be hoped that these pictures will help to indicate in a simple way, something of a Faith and Light vision of, and appreciation for, the gentle Jesus who rejoices over revealing divine mysteries for merest children.
